NICE MEETING 14-15 JUNE

	<p>Initiatives on the stocks:</p> <ul style="list-style-type: none"><li>• solidarity courses and prisoners family members participation.</li><li>• activation of a solidarity network involving traders of Porta Palazzo market to collect food and deliver it to CIEs.</li></ul>
<b>Strengths:</b>	Ethical and perfect push to fight intrinsic limits to voluntary participation, often uneven.
<b>Weaknesses:</b>	People, even immigrants, does not know the real situation in these centers. They realize CIEs are not reception camps only when someone they know is made prisoner.
