

PROJECT PROPOSAL 2014

- Partner: Vardakeios School - Greece

Title	Approaching European culture through the eyes of immigrants
Background	Exploring the hidden dynamic of multicultural Europe
Beneficiaries	15 -20
Target group	Immigrants
Partners	Partners of Let`s do it better project
Proposal	Through educational or cultural activities we try to explore Europe through its immigrants. We create a map of cultures, customs, traditions.
Aims	To promote the idea of a multinational Europe
Objectives	To fight racism and intolerance
Work packages	Partners organise in local level workshops related to traditions, customs, artistic expression. Immigrants have an opportunity to reflect on aspects of European culture and of the culture of their homeland. Through their international meetings they exchange experience and realise the intercultural dynamic of Europe
Outputs and results	<i>The beneficiaries gain experience that strengthens their self -esteem. They become promoters of tolerance and interculturalism</i>
Project evaluation	Reports of the activities in every semester. Evaluation on the impact of the project in local, national and international level
Duration	2 years
Budget	150.000 euros
